Sir,

NATIONAL EXTENSION SERVICE - Baindur Development Block- Starting of a Veterinary First Aid Centre -Sanction-Requested.

-:o:-

The Block Development Officer, Baindur has submitted an indent for the supply of certain Instruments and Medicines required for the purpose of starting a Veternary First Aid Centre at Baindur. Baindur is the Head quarters of the Block. It is 16 miles away from Coondapur Town separated by two unbridged rivers (~~out~~ out/of which Gangolly is about a mile longer ~~in~~ at the bar. The people of the Block find it very inconvenient to take their cattle to Coondapur for treatment after crossing the Gangolly river. There is no other Veterinary First Aid Centre in Baindur Block except a Livestock First Aid Centre sanctioned in G.O. Ms.No.1040 Public (R.D.P) Department dated 28.3.55 at Shankernarayana which is 32 miles away from Baindur. I therefore request that the Government may be pleased to sanction the opening of a Veterinary First Aid centre at Baindur.

Yours faithfully,

If the additional staff are not however sanctioned for the headquarters centre. The non recurring expenditure will amount Rs 2940/- and recurring expenditure to Rs 1890/-.

A first Aid Centre at Byndoor the Headquarter of the National Extension Service block is a necessity. This can be converted into a Minor Veterinary Dispensary when public contribution for construction of a building etc. are forthcoming as contemplated in the G.O. The proposed First Aid Centre may be started in a rented building to start with. I have personally discussed this matter with the Block Development Officer, Byndoor and I agree with his proposals and the expenditure required as detailed in his proposal may be sanctioned.

The case relates to the establishment of a Veterinary First Aid Centre at Baindur in the Baindur N.E.S. Block in the South Kanara Dt. The extra cost involved in the proposal is estimated at Rs 2,300/- non-recurring and Rs 2,650/- recurring per annum. The letter from the Collector of South Kanara on page 17 c.f. and the draft order on ppp.1-2 above may be perused.

2. In the statement of cost furnished by the Collector on p.17 c.f. provision has been made only for one attendant on a pay of Rs 15/- plus D.A. at Rs 18/- p.m. In the draft order Public (RDP) however propose to sanction two attendants. Again it is seen that in the statement on page 17 c.f. the non-recurring expenditure is estimated at Rs 2,300/- whereas in the draft order it is proposed to sanction only Rs 1,800/- without giving any reason for the variation. It is also observed that the Collector has made a provision of Rs 50/- p.a. under recurring expenditure for the replacement of instruments. This does not find a place in the draft order. The reason for omitting this has also not been furnished.

Public (RDP) may be requested to explain the variations and also the reasons for sanctioning two attendants.

2. In the statement at p. 17 c.f., furnished by the Collector, a provision of Rs.50/- p.a. under recurring expenditure for replacement of instruments is made, which seems unnecessary, as the instruments will be purchased afresh. He has also made a provision of Rs.1200/- non-recurring and Rs.500/- recurring for medicines. Expenditure on medicines will come under recurring charges only. A total sum of Rs.2250/- is provided by the Collector for instruments and medicines, whereas the D.A.H. in his letter at p. 13 c.f. has stated that Rs.1200/- may be allowed for medicines and appliances in the first year. The DAH's recommendation may be accepted. As regards the sanction of attendant it is wrongly noted by oversight as two attendants in the original draft order instead of one as provided under item (2) of staff in the statement at p.17 c.f. One attendant as proposed by the Collector may be sanctioned.

In the circumstances a revised draft order is submitted below for approval. Finance may again see before issue.
